PHILIP FUSCO

MODEL, PERSONAL TRAINER, ENTREPRENEUR

## MEET PHILIP

Philip Fusco, is a multi-dimensional professional Model, Personal Trainer and Entrepreneur with substantial experience in both the fitness/nutrition and entertainment industry. Philip studied Business and Finance and received his Bachelor's degree in marketing at State University of New York at Old Westbury. After quickly rising to make a household name for himself in the modeling industry as one of the top male models in NYC as well as acquiring 1 million followers on Facebook he signed with an international modeling agency. He was booked as the face for several high profile fitness and fashion campaigns including modeling for underwear and swimwear fashion designer Gregg Homme, which immediately made him one of the most sought after Italian-American models in the world. Philip has been featured and published on dozens of book and magazine covers such as DNA, ADON and Daily Jocks in North America, Canada, Europe, UK and filmed appearances for TV shows which broadcasted on major networks on national channels. Philip is passionate and very ambitious about promoting health and wellness. He serves as an Advisory Board Member for International Consulting Business Women's Association (ICBWA) has been featured as an industry speaker for CBD conferences such as USA CBD Expo for his extensive knowledge in fitness and recovery. Philip also received his NASM certification as a personal trainer giving him great opportunities to help others.
